

BMW X5 E70 MY10

Description

This awesome BMW X5 2009 (MY10) update X-Drive 30d has only travelled 57,000 klms since new and has a very nice set of BMW wheels, towing package, satellite navigation, every single service from BMW, log books and this is a very honest, original car that has been perfectly looked after and garaged. In Spare Grey these klms are nothing for a turbo diesel and we are sending this car to a local BMW specialist here in Sydney prior to sale for a check over. We're very thorough with selling cars like this to ensure there are no hidden surprises and having travelled such low klms we are confident there will be no surprises at all. With black leather, all the modern options like blue tooth, parking sensors, dual zone climate control air conditioning, panoramic sun roof and pretty much everything you need in a 4WD these days. It drives very well and doesn't have creaks and rattles like a lot of other cars do. We're proud to offer such a good looking car for a reasonable price in our opinion.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116.
