

Jeep Grand Cherokee WK MY17

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– This 2016 model Jeep Grand Cherokee Limited is still under new car warranty and is known as a MY17 series car with only 20,000 klms since new
– in the most popular colour combination being white with black leather this 3.6 litre engine is an absolute pleasure to own and drive
– so many people think that diesel is where it all is with cars but so many car manufacturers are moving back to petrol cars it’s unbelievable
– the limited model has so many amazing features and was over $60K new
– the large screen with satellite navigation, reversing camera, bluetooth really is a treat for the driver and is obviously in full colour
– there is just something about this car when you drive it that makes you want to stay in the driver’s seat; it might be the insanely comfortable seats, the smooth and quiet ride, the soft feel in the suspension or just the fact that it actually drives more like a normal car than a 4WD
– we think this car will hold it’s value so well considering the low klms and the fact it’s a Limited
– the larger shadow chrome alloy wheels looks just perfect and we can’t wait to show it to you in person from our showroom

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
