

BMW 530d E60

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– what an unbelievable 2006 BMW 530d M-Sport sedan this is in white with black leather
– just an incredible feel to this car with 123,000 klms since new and basically in as new condition
– we look for a long time for cars like this and you can just tell someone has treated this like a baby
– the M-Sport has loads of excellent features such as a sports interior, sports seats, steering wheel, better M-Tech alloys and a very nice rear boot lip spoiler and body kit
– this would have to be the very best colour combination we have seen and it certainly ticks all of the important boxes
– very good servicing history from new and still has that real BMW smell that we love
– you can also tell that from the condition of the rubbers, headlights and paint that this is a car that hasn’t seen too much sun or not been garaged.
– we can’t wait to show you in person one day soon
– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
