

Land Rover Discovery 4 Series 4 MY11

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2011 Landrover Discovery 4 with the 3.0 litre newer SDV6 engine
– fully serviced and loads of options
– Santorini black with black leather
– snorkel
– towing package
– some chrome decals in the kick panels which is a nice finish
– front bull bar with driving lights
– this is a very good setup for off road driving but from the look of the car it hasn't seen a lot of that
– we are extremely thorough about cars like this and having been driven on the highway and open roads this mileage is nothing for an 8 year old turbo diesel Landrover
– NSW registration until January 2020
– inside and out this car feels superb
– it has an additional fuel tank gauge (digital)
– no spend on this car and we think it's priced very well for a car of it's age/options list
– low and high range 4WD on all Discoveries and it's obviously a 7-seater
– please take this car very seriously as we certainly have
