

BMW 730d F01 MY0312

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– 2012 BMW 730d with 92,000 klms since new and a very good history from new
– owned and serviced in Sydney’s lower north shore it’s silver with black leather and is just lovely
– being a 2012 it is very desirable compared to the 2009 onwards vehicles for a number of reasons.
– it’s a lot easier to finance and has some very nice add ons. Blue tooth phone and music, reversing camera, wider colour navigation, stunning alloy wheels, cruise control, Aux input and so much more.
– these are a lovely car to drive and own and at just under $40,000.00 it’s a very good buy in our opinion
– we get offered a lot of this series and can confidently say that this is way above the rest in overall condition inside and out. The paint is lovely and it was only just recently traded in on a new car here in Sydney.
– 7-series have certainly come a long way and rest assured that this is a truly reliable model compared to them years ago and are still one of the safest and sportiest large cars on the road
– we can’t wait to take you for a decent test drive in this gorgeous 730d.
