

Mercedes-Benz CLK350 MY06

Description

This absolutely stunning October 2006 Mercedes Benz CLK350 Avantgarde cabriolet with only 83,600 klms since new has been owned by a true enthusiast. This really is one of those Mercedes Benz that doesn’t come up a lot in this sort of condition and if you have the time please come in and see it in person. With a metallic black exterior and the cream full leather ,full service books, spare keys, this CLK350 Cabriolet is priced very well in our opinion considering the mileage and the colour combination. It drives so well compared to a lot of others we have been offered and said no to buying. Dual zone climate control air conditioning, electric soft top in perfect condition, and really has been serviced very well over the years. We have sold so many of this series over the past few months and being a 350 and not a 320 is a massive bonus at this price point.
