

Volkswagen Golf VI

Description

This is a very clean five door automatic 2009 Volkswagen Golf TDi 2.0 litre turbo diesel owned previously by an older gentleman. It has travelled 150,000 klms and has a very good log book servicing history from new and is the desirable silver with grey interior. There are so many Golfs on the market it’s important to find one which not only ticks all the boxes but has an excellent feel about it which we think this one does. The air conditioning is freezing cold, there are no rattles from inside the car, the head lining is immaculate and it drives so well. We are very proud to offer great little cars like this to the public and hope you agree just how good it is when you get a chance to come in and see it in person. Registered in NSW until September 2018
