

Daimler Double 6

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– in 1977 this Daimler Double 6 was and still is one of the most stunning cars on the road
– showing 98,000 klms since new this car has a very good service history
– they only have a 5-digit odometer incidentally but this looks, feels and smells like a very low mileage example
– the old English white with the tan leather has to be one of the smartest colour combinations
– the black vinyl roof really sets if off and it looks so smart
– owned by a very good client of ours who only buys the most incredible cars from us
– this is a true credit to those who have owned it over the years
– the power steering is silky smooth
– several keys are present
– it has long NSW registration until August 2020
– excellent amount of servicing receipts
– drives like an absolute dream
– the 5.3 litre V12 starts first time every time
– this car has been garaged and all the paint, leather, head liner and carpets look new

– air conditioning as standard
– a very nice modern sound system with aux input too
– wheels are in mint condition as are the tyres

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
