

Volvo C30 M Series MY10

Description

This lovely November 2010 built Volvo C30 Hatch is the “LE” or limited edition and is a very nice 2.4 litre that has loads of lovely features. Burgundy with the lighter cream leather is such a beautiful colour combination and this was the top of the range non-turbo and is superb to drive in the automatic transmission. here in Sydney and this one owner hatch looks amazing with the black leather trim. The “LE” has so many great features such as full leather interior, parking sensors and the service books and overall feel of this car is extremely good. With 95,000 klms this a fantastic buy compared to other cars on the internet. Good C30’s with very good log books are hard to come across but this one fits the bill in every regard. Always garaged and very well maintained. It’s registered until late November 2018 and has both sets of original remote keys. You really do have to see this car in person to fully appreciate how good it really is.
