

Volvo V50 MY10

Description

In 2009 when this Volvo V50 2.4 “LE” Limited Edition came out it was and still is one of the safest, compact European wagons to hit our Aussie market. This wagon has the very powerful yet fuel efficient 2.4 litre 5 cylinder engine and has only travelled a very sensible 76,000 klms since new with a good service record book from new. With parking sensors, alloy wheels and a full leather interior this LE model is very good value for money compared to the much more basic variants. Dual zone climate control air conditioning, CD stacker, remote locking, metallic paint and so many safety features it’s no surprise that this car has won the hearts of many Volvo enthusiasts worldwide. The interior is modern and the dash is sleek giving this Volvo a very spacious feel inside and out. We look forward to assisting you in person and taking you for a nice drive here at our Sydney based showroom. It is also registered here in NSW until December 2018 which is a nice bonus.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116.
