

Volvo XC60 DZ

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– this is a very nice 2010 Volvo XC60 D5 “LE” turbo diesel AWD
– not all models in this 2010 range were all wheel drive but this one is
– the blue grey is a very nice colour with a contrasting charcoal grey leather interior
– it’s one of those very nice Volvos that have seen a combination of highway mileage and some city journeys too.
– dual zone climate control air conditioning
– September 2019 registration
– we see so many of this series and are very picky about what we sell.
– this car doesn’t have any marks on the paint and the robust interior really is in exceptionally good condition for a 9 year old car.
– service books
– drives extremely well and we think it certainly ticks all of the boxes
– it has the nicer Volvo factory alloy wheels than the basic model and comes with the optional factory satellite navigation

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
