

Volvo XC60 DZ MY15

Description

This is a gorgeous 2014 new shape Volvo XC60 D5 turbo diesel SUV which has some very nice options such a colour navigation, bluetooth, reversing camera and is registered until April 2018. With only 41,000 klms since new, completed service books, spare keys, and one of the nicest colour combinations you can ask for in this series. It’s a metallic champagne with charcoal grey leather interior that has a nice stitching around the edge of the seats. With electric seats with memory settings these XC60’s are such a good all round 4WD and hold their value very well; especially with such low miles like our car. It’s just one of those Volvo’s which you get in to and you can tell it’s had a fastidious owner here in Sydney. We very much look forward to meeting you in person and showing off this gorgeous Volvo which is the newer series and probably the least expensive on the Internet on offer today from a dealer.
