

Mercedes-Benz C200 W202

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– 1999 Mercedes Benz C200 Elegance with only 123,000 klms since new and log books
– a very very nice car throughout with a good history
– Travertine beige with tan interior
– alloy wheels
– the C200 is a better and more powerful engine than the C180 and this car has been treated so well over the years
– one of our favourite colour combinations
– working air conditioning
– September 2019 registration
– updated newer gearbox in this model
– air bags and ABS brakes
– we look at a lot of this series and most just end up at an auction house but this is a true stand out
– being an Elegance you get a nice timber dash which has not discoloured
– please take the time to come in and see this lovely car in person
– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
