

Mercedes-Benz CLK350 C209 MY06

Description

What a lovely Cubanite silver 2006 Mercedes Benz CLK350 Elegance this is with only 95,000 klms since new, excellent log books from a Mercedes Benz dealer and specialist all the way through and a nicer set of factory alloy wheels and black leather interior. This CLK is a very straight car with no signs of interior wear, the dash is not worn where all the buttons and dials tend to deteriorate and things like tyres, head lining, door trims are all as you would hope for a car that has travelled such low klms per year since new. The previous engine in this series was the 320 and these 350's are actually a 3.5 litre engine with a newer 7-speed automatic transmission. Dual zone climate control air conditioning, power steering, electric seats, electric steering column and so much more. We are very proud to offer this car for sale at just under $20K compared to others we have recently sold for quite a bit more money and this car compares in condition and drive-ability. Please take out the time to come and meet us in person and have a decent test drive of this car. It is registered here in NSW until June 2019 which is a very good sign having just been traded in – most people wait until they are just about to run out.

The Oldtimer Centre is located at 29-31 Antoine Street, Rydalmere, NSW 2116.
