

Mercedes-Benz CLK500 C209

Description

This has to be one of the nicest 2004 Mercedes Benz CLK500 coupes we have ever seen with a staggeringly low 65,000 klms since 2004 when it was built and it’s has the wider screen navigation and has a 5-speed automatic gearbox. The alloy wheels are factory 5-spoke and it’s even got the two exhaust pipes which looks fabulous. The colour is Zircon silver metallic with the charcoal grey leather interior. As you can imagine 65,000 klms means that this car is quite literally in the most original and near perfect condition we could ask for and it really is a true credit to the previous owner in every sense. Headliner, paintwork, leather, tyres, servicing history, dash, headlights and just everything about this car says it has been babied since new and treated like you could only hope for. Registered in NSW until late November 2017 this is a car we are so proud to show you in person at our indoor showroom and very much would like to take you for a nice test drive soon.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate
