

Mercedes-Benz G350 W463 MY13

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– Awesome 2013 (update series) Mercedes Benz G350 BlueTEC wagon in black/black
– only 74,000 klms with full history
– Obsidian is one of the best colours and this car ticks all of the boxes
– the newer shorter gear shifter from the update, black alloy wheels, side steps, both remote keys and a very nice style of a car.
– these are such brilliant cars and certainly look the part
– they have ample room inside and are actually now being used in the Australian Army as they are such impressive vehicles
– the previous owners paid $125K for this car some years ago so it’s representing excellent value for money now and has done very little mileage since they purchased it
– this is the model to buy as it doesn’t use a great deal of fuel from it’s V6 turbo diesel engine
– adjustable diff locks, cross-axle traction control and 155kW and 550Nm of power
– There are cornering lamps, reversing camera, Bluetooth, a good sound system, 4Gb media centre, and a cruise control.
