

Mercedes-Benz ML320 CDI W164 MY09

Description

What great value for money these are now. A 2009 update series Mercedes Benz ML320CDi Luxury package with only 85,000 klms since new in Obsidian black with black full leather interior, sun roof, alloy wheels, parking sensors, reverse camera, and every single service has been carried out by the same Mercedes Benz dealership since new. These klms for a turbo diesel is nothing and we are confident this car is in mint condition both mechanically and cosmetically. We only just sold the identical car for just under $30K so we think this is a very good buy in great condition. We sell so many of this W164 series and have become very picky as to what we sell. In fact this car was traded in at Mercedes and has been well maintained. Spare keys, original owner’s manuals, and in one of the easiest and popular colour combinations on offer in a 4WD. This car needs to be seen in person and driven to fully appreciate how good it is.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate
