

Mercedes-Benz S-Class S430

Description

** Since 1994 our Family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2003 MY 2004 Mercedes Benz S430 4.3i Long wheel base
– November 2003 compliance means it’s the update series with the 7-speed automatic gearbox and newer navigation system which saw the wider colour screen and better bluetooth fibre optics
– July 2022 NSW registration
– The Green black is just an amazing colour with Black leather interior
– really when you think about the mileage on a well serviced 4.3 litre V8 Mercedes its not too overly high
– this was considered one of the best S-Classes in it’s day and we absolutely love it
– too many of this series have been smoked in, used as hire cars, repainted and not loved. This is the total opposite and we can’t wait to show you

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
