

Mercedes-Benz S430 W220 MY04

Description

These 2004 Mercedes Benz S430 update series W220 S-classes are rare and we get very excited when we find a V8 example with only 95,000 documented Km’s from new by a Mercedes Benz dealership for most of the way. The S-class is the flagship marque for Mercedes-Benz and offers the finest ride available along with all the safety, technology and luxuries you would expect from a top tier saloon car. This particular car is finished in Cubanite over parchment/cream leather interior with burl walnut accents. This combination along with the immaculate condition is something that needs to be seen in person to be appreciated. The car has almost every conceivable feature including the leather steering wheel which is like new and the rare and newer 7G-tronic update automatic, updated Navigation and infotainment unit, Tri-zone climate control air-conditioning, power memory seats, rear entertainment/DVD, HID projector headlights, front and rear parking sensors, cruise control with speed limiter and the list goes on. Driving in the S430 is like riding on a cloud. This particular example was well over $200,000.00 when new with the options it has and we feel for a vehicle that has clearly been garage kept its entire life represents superb value for money.

The Oldtimer Centre is located at 29-31 Antoine Street, Rydalmere, NSW 2116.
