

Mercedes-Benz S500 V220

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– another absolutely stunning Mercedes Benz S500 Long wheel base with only 88,000 klms from 2001
– there are just some cars that you know have been perfectly looked after and this is certainly one of them. From the moment you sit inside this car you can tell it’s not only been serviced by Mercedes Benz but has been garaged and kept clean.
– it’s a colour called green black with light grey leather interior
– has the very desirable combination of the timber steering wheel and 5-spoke factory ally wheels
– log books from new
– keyless start and original key card
– heated and air conditioning in the ventilated leather seats
– this car has loads of standard features such as a factory sun roof, dual zone climate control air conditioning, bluetooth compatible, parking sensors all round and cruise control
– we are so so proud and excited to offer this car for sale at what we think is a very realistic asking price considering the low mileage.
– we absolutely love this W220 series and in a lot of ways consider it to be better than the W221 as far as reliability goes

– the air suspension is working well and we will thoroughly go over this car to make sure everything is spot on
– please take out the time to come in to our office and see this stunning car in person which is registered here in NSW

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
