

MINI Hatch R56 LCI

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– this lovely Pepper white 2012 Mini Cooper hatch has only travelled 35,000 klms since new
– good servicing history
– Automatic
– January 2019 registered
– a very tidy little car that is priced very well in our opinion with these low klms
– these have loads of great features and will hopefully hold it’s value very well moving forwards
– fold down rear seats
– air conditioning
– power windows
– one of the best colours by far!
– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
