Abarth 595 Series 3

Description

This would 100% have to be one of the hottest little hatches to come out of Europe in 2017; the Abarth 595 Competizione with only 4300 klms since new and is automatic. The previous owner was a real car buff and has had a few nice add ons such as a new navigation system by Alpine that is fully integrated through all the speakers as well as a cruise control. We are told that he likes to buy new cars after 6 months and this one owner car also has sports mode, traction control settings, push button gears like a Ferrari and you would really only want it in this stunning colour combination; Red with a grey interior. Awesome alloy wheels, stiffer suspension, a 132kW higher output 1.4 litre high boost turbo engine which accelerates to 100kph in under 6 seconds and is in the most original perfect condition you could hope for. Remote locking, auxiliary input, fold down rear seats, paddle shifters and it also has NSW registration until the end of March 2018. What an amazing car that we have and please take the time to come to our dealership in person as we are so so proud of this amazing little vehicle.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able

to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
