Alfa Romeo 159

Description

In 2008 this fully automatic Alfa Romeo 159 JTD-M series 2.4 litre turbo diesel 159 sedan was loaded with excellent features and just looks superb in silver with black leather interior. It has only travelled 78,000 klms since new, has alloy wheels, lovely seats, leather steering wheel, bluetooth, parking sensors and of course a very good log book service history from new here in Sydney. We sell a lot of 159's and are starting to become very fussy about what we look for and this car we are very proud to say is in excellent condition that will suit the fussiest of Alfa buyers. This is by far one of the best that we have seen in the best colour combinations on offer; silver with black leather interior. At our dealership we have a qualified Alfa specialist working for us who will have a very good look over this car too prior to it being sold. We very much look forward to taking you for a nice test drive and meeting you in person.
