

Alfa Romeo 159 MY09

## Description

This is a very good Alfa Romeo 159 from 2010 and has the most beautiful Selespeed transmission we have come across. It changes very well and there is no hesitation at low speeds which is an excellent sign. Only 75,000 klms, metallic grey with cherry red leather trim, and being an MY10 it has the newer interior, bluetooth and parking sensors. We sell a lot of 159's and are becoming so fussy about what we look for in a car and this one really has an amazing feel and smell about it. It's registered here in NSW until July 2018 and we cannot find a scratch on the exterior or wear on the interior. Please take this car seriously if you are looking for a clean Alfa Romeo that has a good service history and quite obviously a very fussy previous owner.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms.
