

Alfa Romeo GT

Description

What an outstanding 2010 Alfa Romeo GT with a staggeringly low 47,000 klms since new with a complete and up to date servicing history. Manual transmission is the only way to go and for $11,950.00 it’s a great buy in our opinion. Everything about this car is stunning, from the superb silver exterior and charcoal grey interior, to the overall condition of the paint, trim, head lining and alloy wheels; all are simply stunning. This is one of those very low mileage cars that you really do need to come in to our dealership in person and see for yourself just how good it really is. The 2.0 litre four cylinder engine is not even run in yet and the GT is one of the best looking Alfa’s from the decade in question and will hopefully continue to hold it’s value very well moving forwards. Registered here in NSW until October 2018 which is amazing and everything works very well with no warning lights on the dash. It’s all about low mileage when buying an Alfa and this must be one of the lowest in Sydney for sale.
