

Alfa Romeo Sprint Veloce

Description

** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

- 1984 Australian delivery Alfa Romeo SUD Sprint
- only 105,000 klms since new
- fastidiously maintained
- garaged
- service history from new
- no visible rust
- very nice period number plates
- the “only” colour an Alfa should be bought in
- original wheels
- the only reason the previous owner sold was due to moving to a residence without a garage
- this is the very last of this series with some very desirable changes (it saw some Alfa 33 parts used when they were new to improve drivability)
- this car ticks all of the boxes and even has NSW registration until September 2023
- it is by far the best one we have ever seen and certainly the best older Alfa

we have driven

– only last year it had a complete mechanical check over and some decent money has been spent ensuring that this car is in superb condition both mechanically and cosmetically

– what a great entry to the classic car market at a sensible price

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
