

Aston Martin V8 MY13

Description

At $250K when new in 2013 this stunning Aston Martin Vantage V8 Roadster was and still is quite possibly the best looking car on the roads today. The silver metallic has a tinge of blue through it, the charcoal grey leather interior is immaculate and it’s a one owner from new here in Sydney as well as always being garaged.
The 4.7 litre V8 delivers the most incredible note from the factory exhaust and with the sport button selected it’s like another car again! 30,000 klms since new, 5 services from Aston Martin and it has some very nice features indeed. Blue tooth, colour navigation, heated seats with extra lumbar support, piano wood finish, suede inserts in the soft top, memory chairs for both the driver and passenger and with 314 kW of power and 470 Nm or torque say no more about what’s under the hood of this beast.
With paddle shift transmission which is lightning quick this really is one of the best sports cars we have ever driven in our 25 years selling prestige cars. Servicing intervals are every 15,000 klms and we cannot wait to show off this gorgeous car to you one day soon.
