

Audi A4 B8 8K

Description

This gorgeous light blue B8 2009 Audi A4 3.0 TDi Quattro has only travelled 95,000 klms since new and has the absolutely perfect Audi servicing history from new and all options. The charcoal grey leather is immaculate, factory sun roof, alloy wheels, all wheel drive, automatic, climate control air conditioning, remote locking, two original keys and overall a wonderful car with pretty much nothing to spend. We already sold this car once before and know it’s history and this is by far the best engine that this model was offered in. 30 litre turbo diesel with 4WD is a real treat to drive and hopefully own one day. They have an enormous boot area and still look great compared to other more modern cars on the road. This is a significant saving off a newer car and we can’t wait to show it to you in person

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don’t buy our cars from auction houses and we are located only
