

Audi A6

## Description

What a stunning example of the 2005 new shape Audi A6 3.2 petrol sedan this is with every single service being carried out by an Audi dealer. It’s a lovely car all round in a metallic grey with cream leather interior and is just one of those cars that you either look at from the outside or sit inside the car and you immediately know it’s been treated like a baby. Registered here in NSW it was recently traded in on a new Audi and we’re lucky enough to be offering it for sale from our showrooms where we sell a lot of Audis. This really is the pick of this new shape with loads of power and torque from the larger petrol engine and such an easy car to maintain. These cars are loaded with all the great features and have electric seats, dual zone climate control air conditioning, alloy wheels, cruise control and so much more. We’re so proud of this awesome Audi A6 which has only travelled 93,000 klms since new which is very low for this year model.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate
