

Audi A6 4F

Description

** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

- * What a superb new shape 4F series 2012 Audi A6 2.0 litre TFSi
- * this is in what has to be one of the most stunning colour combinations
- * has only travelled 91,000 klms since new
- * Log books that are from the Audi dealership
- * we have sold this car to the two previous owners
- * We are so obsessed with the light metallic grey with the lighter grey leather interior
- * alloy wheels that really do suit the car
- * This is so well equipped from the full leather interior, sun roof, parking sensors
- * bluetooth, the current MMI system which allows you to stream music
- * and it has it's own jukebox amongst other things and so much more
- * This car would have cost just under \$80K when new 5 years ago
- * with these options and certainly seems like it has been garaged and pampered by the previous owner.

Audi's like this just don't come up all the time and we are so proud when cars in this sort of condition grace us with their presence.

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
