

Audi A8 D3

Description

What a gorgeous 2005 Audi A8 4.2 litre Quattro sedan this is with only 62,000 klms since new and one of the best colour combinations we come across. Metallic Black with black leather seats and overall in excellent condition. We sell a lot of this series and are quite fussy about them mechanically especially. They are a very well built car and we make sure that all the suspension, gearbox, the engine and the electrics are in good order. Finding cars like this with such low klms is hard and that have been well serviced. It is registered here in NSW until May 2018 and we think it's excellent value for money considering others we have sold. Navigation, electric seats with memory, parking sensors, automatic climate control and so much more make this flagship model a pleasure to drive and to own.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only
