

Audi A8 D3 MY2006

Description

This absolutely stunning one owner update flagship Audi A8 4.2 litre Quattro from 2006 is just lovely with only 132,000 klms since new which is below average. Originally from QLD the previous owner lives in Sydney now and we have the car here in our showroom. Dark Navy metallic blue with cream leather interior, log books from Audi, perfect wood grain, Navigation, loads of leg room in the rear, electric side and rear blinds, pop up modern screen in the front for the on-board computer and nav, and overall a great combination of the sporty Audi ride with a very luxurious saloon. What a credit to Audi and more importantly the previous owner. We sell a lot of A8's from our Sydney based showroom and know exactly what to look for and only very recently we got just over $20K for a 2004 older shape car with a lot more klms. We are very excited about this car which was actually traded in on a 2011 A8 by the current owner. We very much look forward to meeting you in person soon.
