

Audi allroad 4B

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2004 Audi Allroad 2.7 litre twin turbo V6 with only 84,000 klms
– always serviced on time by Audi
– all suspension recently changed by Audi
– grey with two-tone leather interior
– one of the finest examples we have seen in many years
– excellent value for money
– these are a very sensible car compared to large 4WDs – they really do drive and behave so well on the road
– just traded in on a new Audi here in Sydney
– February 2020 registration
– paint is original and unmarked
– the leather is extremely good and clean
– no rattles when driving
– we see a lot of this series and this really is a stand-out and ticks all of the boxes
– this is a shape which will hopefully continue to hold its value very well moving forwards
– the Audi all wheel drive system and loads of power makes it one of the very desirable cars on the road today
