

Audi Q5 8R MY10

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– awesome 2010 Audi Q5 3.0 litre turbo diesel Quattro with only 70,000 klms since new
– we actually sold this car previously and it looks unbelievable in Daytona Grey with black leather interior
– log books from new
– a very fastidious owner
– he put a great set of larger black alloy wheels on and an SQ5 black front grill which looks very good on this car
– there are a lot of rough Q5's out there so it's nice to see one come in which ticks all of the boxes.
– it's registered here in NSW and drives extremely well
– the previous owner just traded this car in for a smaller car as his kids are older and he no longer needed the space
– speaking of space these really are great for a mid-sized 4WD and you can obviously fold the rear seats down
– the 3.0 litre TDi engine with Audis famous all wheel drive set up is superb – it has so so much torque and is a real enjoyable experience to drive
– please take this Q5 seriously as we certainly did when we traded it in and at just under $25K it represents excellent value for money
– bluetooth, navigation, parking sensors and so much more
