Audi Q5 8R MY10

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- awesome 2010 Audi Q5 3.0 litre turbo diesel Quattro with only 70,000 klms since new
- we actually sold this car previously and it looks unbelievable in Daytona Grey with black leather interior
- log books from new
- a very fastidious owner
- he put a great set of larger black alloy wheels on and an SQ5 black front grill which looks very good on this car
- there are a lot of rough Q5's out there so it's nice to see one come in which ticks all of the boxes.
- it's registered here in NSW and drives extremely well
- the previous owner just traded this car in for a smaller car as his kids are older and he no longer needed the space
- speaking of space these really are great for a mid-sized 4WD and you can obviously fold the rear seats down
- the 3.0 litre TDi engine with Audis famous all wheel drive set up is superb – it has so so much torque and is a real enjoyable experience to drive
- please take this Q5 seriously as we certainly did when we traded it in and at just under \$25K it represents excellent value for money
- bluetooth, navigation, parking sensors and so much more

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
