

Audi Q5 8R MY11

Description

This stunning 2011 Audi Q5 2.0 TDi Quattro has been fully serviced up to date and has both original keys. A car that has been very well looked after having always been serviced by an authorised Audi dealership and is a one owner from new. These have such an amazing pulling power without using up loads of fuel, factory blue tooth, parking sensors and key-less start and entry features. The colour is a very stylish metallic black with black leather interior and you can just tell from sitting in this Q5 that it’s been perfectly looked after. It has an Auxiliary feature for an ipod, alloy wheels, factory large panoramic sunroof and drives perfectly. It has recently had the DSG gearbox serviced and this is one of those cars that you need to come in to our dealership and have a drive of to fully appreciate just how good it is. Only recently we sold another car identical to this with 58,000 klms for $31,950.00. We therefore hope you agree that this represents excellent value for money and we also have two full time mechanics who will have a very thorough look over this car prior to it being sold. Registered in NSW until late October 2018.

The Oldtimer Centre® is located at 29-31 Antoine Street, Rydalmere, NSW 2116.

* located 15 minutes from Sydney Airport with plenty of off-street parking
* very passionate expert staff have over 24 years of experience
