Audi Q7 MY07

## Description

Quite simply the very best 2007 Audi Q7 3.0 TDi's we have sold in a long time. Someone has really looked after this 4WD and it's a 7-seater model with side steps and a nice set of factory alloy wheels. Every single service has been carried out by Audi dealers, lava grey in colour and with only 122,000 kms please look no further and it's a Quattro obviously. You can just tell that this is a car that has not only been babied but has always been garaged. It's worth more than other Q7's from this era and we are very proud to offer it for sale to you today. The resale value should be excellent on this model and it's registered in NSW until July 2018 and just gorgeous!

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the

NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
