

Audi Q7 MY08

Description

Quite simply the very best 2007 Audi Q7 3.0 TDi's we have sold in a long time and it's a 7 -seater with S-Line and larger factory alloy wheels which look amazing. Someone has really looked after this 4WD and being a 7-seater model with side steps and a nice set of factory alloy wheels this is generally what people look for and tend to assist in the cars holding their value moving forwards. Every single service
has been carried out by Audi dealers or specialists, lava grey in colour and with only 97,000 klms please look no further and it's a Quattro obviously. You can just tell that this is a car that has not only been babied but has always been garaged. It's worth more than other Q7's from this era and we are very proud to offer it for sale to you today. We have just sent this car to an Audi specialist for a complete check over which is very important on this model and it's registered in NSW until December 2018 and just gorgeous!
