

Audi Q7 MY08

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– country klms are nothing when it comes to a 4.2 litre turbo diesel V8 Audi Q7 from 2008
– if you work out 260,000 klms in 11 years it’s actually around 450 klms per week which is very normal in NSW
– the light champagne with the cream leather is such a good colour if you were living in the country especially when considering the exterior colour won’t show up much dirt at all
– the previous owner of this lovely car literally was an enthusiast in every sense of the word
– impeccable serviced by himself, log books perfectly updated and comes with rear DVD entertainment with 2 remote controls
– towing package
– an amazing 11 months NSW registration until January 2020 which is a sign of a very good previous owner
– loads of receipts and previous service records prior to him owning it
– reversing camera
– bluetooth
– parking sensors
– factory alloy wheels
– drives so well and with an enormous amount of power without using up too

much fuel
– fold down rear seats
– all original owner's manuals and you can really tell that from how good the leather is that this car has been very very well cared for
– we are very thorough with what we look for in second hand cars and have now checked this car over to meet not only roadworthy standards but also to suit a fussy buyer that doesn't need to spend $100K on a new car
– please consider this car seriously as we certainly did when we traded it in

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
