Audi Q7 MY08

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– country klms are nothing when it comes to a 4.2 litre turbo diesel V8 Audi Q7 from 2008

– if you work out 260,000 klms in 11 years it's actually around 450 klms per week which is very normal in NSW

– the light champagne with the cream leather is such a good colour if you were living in the country especially when considering the exterior colour won't show up much dirt at all

– the previous owner of this lovely car literally was an enthusiast in every sense of the word

– impeccable serviced by himself, log books perfectly updated and comes with rear DVD entertainment with 2 remote controls

– towing package

– an amazing 11 months NSW registration until January 2020 which is a sign of a very good previous owner

– loads of receipts and previous service records prior to him owning it

– reversing camera

– bluetooth

– parking sensors

– factory alloy wheels

– drives so well and with an enormous amount of power without using up too

much fuel

– fold down rear seats

– all original owner's manuals and you can really tell that from how good the leather is that this car has been very very well cared for

– we are very thorough with what we look for in second hand cars and have now checked this car over to meet not only roadworthy standards but also to suit a fussy buyer that doesn't need to spend \$100K on a new car

– please consider this car seriously as we certainly did when we traded it in

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon

The Oldtimer Centre is located at 101-103 Illawarra Road, Marrickville NSW 2204.

* located 15 minutes from Sydney Airport with plenty of off-street parking
