

Audi Q7 MY10

Description

This 2011 Audi Q7 4.2 TDi 7 seater S-Line is a one owner since new with S-Line package and 120,000 klms with a very extensive servicing history as well as a whole lot of receipts. It has S-Line alloy wheels, navigation, rear reversing camera, blue tooth, tow package from Audi, NSW registration until January 2019. The single owner is known to us and has a huge amount of cars in their company and looks after them very well mechanically. This should represent excellent resale value moving forwards and is a great saving from what this car would have cost you back then. This is an incredible vehicle in every aspect and has been very well looked after here in Sydney. The 4.2 litre V8 turbo diesel engine has a whopping 250kW and an enormous 800 Nm of torque!! It even manages to only use 9.2 litres per 100 klms of driving (claimed) and this car has the larger panoramic sunroof as well as the glass opening in the 3rd row of seats. What a lot of car for under $40K and we are so proud to offer it for sale. In fact it was $150K when new and has the factory 20-inch wheels, ipod connector, tinted windows and the keyless start feature too.
