

Audi RS6 4B

Description

Dear Audi Lovers; this is the ultimate in sports sedans. The 2003 Audi RS6 4.2 V8 Bi-turbo and this is a proper well loved car since new with a full service history up to date. The metallic black with the cream leather interior suits this car perfectly and we are so proud to see one in such superb condition. It’s actually better than some of the cars we see with well under 200,000 klms and we are told it has been driven on the freeway being a Canberra car as per the previous owner who just traded the car in with us. These cars accelerate from 0-100kph in 4.6 seconds and handle so well with the Audi Quattro all wheel drive system. Having been driven 19,000 klms per year since 2003 this vehicle was owned by a very enthusiastic person who has literally serviced the car perfectly from new. The car will be registered in NSW for the new owner if they live in our state. What a car and a very sensible asking price based on others we have sold in the past.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate
