

Audi S3 8P MY10

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– with only 52,000 klms since new and one owner this manual Audi S3 hatch is a little rocket in a 6 speed manual 3 door hatchback
– it certainly ticks all of the boxes and is in extremely good, original condition from new
– all services at Audi
– silver with the better leather interior package with the cross stitching in the seats
– fold down rear seats makes for extremely good storage
– this is a car that really has been very well looked after and aside from a few marks on the wheels which we have had attended to we feel the only reason this car was traded in on a new car is that it was due for rego.
– at the point of sale we can re-register this very easily but we wait as we sell a lot of cars to interstate buyers
– please take the time to come and check out this lovely S3 and we very much look forward to meeting you in person one day soon
– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to
