

Audi S6 4B

Description

This awesome 2001 Audi S6 4.2 V8 Quattro sedan was and still is one of the most impressive sedans on the market that is so well priced. They have loads of power, handle the road like it’s a train on tracks and this one is optioned with the full factory Recaro leather seats. 163,000 klms isn’t actually a lot when you consider that it’s around 200 klms per week. The car has a perfect AUDI service history from new and we even sold this car some years ago to a very fussy client who has also always been to the Audi dealership in Canberra. We can apply NSW registration to the successful buyer and it comes with spare Audi remote keys. The silver exterior with the black inside suits this car very well and we are sending this car to an Audi specialist to get a clean bill of health this week.
