

Audi TT 8J MY10

Description

Audi TT 2009 (MY10) Quattro in stunning black with black leather interior and it’s a 2.0 litre S-Line coupe with a full up to date servicing history. It’s automatic and is such a tight car in every regard. This is one of those cars that you simply cannot fully appreciate just how good a car it is until you come and see it and literally smell the leather in person. The panels have not been damaged or painted in the past, the alloy wheels are in great condition and we are very fussy and both passionate about what we buy for stock. It’s registered until the middle of 2017 and we can’t wait to show you this car in person. For around 25 years we have been selling Audi’s and can safely say this car ticks all of the boxes and has even had a very nice after-market sound system fitted which has everything. What a lovely car in a very nice colour combination. We think that for a 2010 with these klms that it’s a great buy and will keep holding its value well moving forwards.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate
