

Bentley Arnage

Description

The Birkin Arnage from 2000 was named after the Bentley Boy Tim Birkin and only 52 cars were built and has some lovely features. A pop-up Alpine navigation system, park distance control, stiffened front suspension, further strengthened body shell and bigger brakes, redesigned seats, the rear bench relocated downwards and rearwards to provide 50 mm more legroom and the lens covers for the headlights went from being glass to plastic. This particular Arnage has only travelled a well documented 60,000 klms from new and has a full history from Bentley. 3 keys with remote, dual zone climate control air conditioning, factory 5-spoke alloy wheels and the owner of this car is simply one of the most enthusiastic car collectors around. The Navy Blue with the cream piped leather is stunning and we will be registering the car for the successful buyer here in NSW as it has come from interstate. The 4.4 litre BMW engine is superb and is silky smooth and quiet to drive.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116.
