

Bentley Continental 3W MY11

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– this absolutely stunning Bentley Continental GTC Speed convertible W12 has only travelled 11,600 klms since new
– this car is a 2013 compliance and was part of the low volume prestige cars sold here in NSW
– what that means was the cars arrived here in Australia in 2011 and companies like Bentley and Ferrari would put the compliance plate on the cars when they were sold new.
– so this unbelievable car was first registered in early 2013 and has only travelled around 2,000 klms per year since new
– the car's previous owner was a true car collector from Adelaide who had his garage floor tiled in the exact same tiles as his favourite car showroom
– he had this car in a garage in Sydney to use when he came to visit but regularly had someone start and drive it
– it has a full servicing history and has just been to Bentley of Sydney for a check over and service
– 2020 NSW registration
– brand new Pirelli P-Zero tyres and not a mark on the wheels
– reversing camera
– bluetooth
– AUX input

– in AS NEW condition
– the pearl white almost has a tinge of grey through it and looks stunning in every light
– both original keys
– distance cruise control was an option
– the SPEED got you the 449 kW engine with a whopping 750 Nm of torque
– we cannot tell you how excited we are to offer this lovely car for sale which will hopefully hold its value very well as it's done such low mileage
– all wheel drive in pearl white with light cream leather interior
– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
