- 2005 Australian delivery Bentley Continental GT coupe
- very well serviced
- mature owner
- what a stunning colour combination being the medium blue with the cream leather trim
- superb drive and certainly a car that has been “babied” by it’s fastidious collector
- July 2023 registration in NSW
- 84,000 klms since new
- this car has the real “Bentley smell” and ticks all of the boxes
- engineered by Volkswagen these are said to be one of the more reliable Bentleys ever sold
- a whopping 411 kW from it’s 6.0 litre twin turbo engine
- this is a car which will turn a lot of heads and hold it’s value very well moving forwards in our opinion

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
