Bentley Mulsanne

Description

This 1991 Australian delivered Bentley Mulsanne "S" has only travelled a mere 138,000 klms since new and is in the most pristine, original condition you could hope for. The colour looks superb being a light champagne silver/gold with a tan cognac leather trim and all the wood, the dash, the seats, carpets and paintwork look to be absolutely perfect. The previous owner here in Sydney has meticulously looked after this car and has a full service history by Bentley of Sydney and Hamiltons Rolls Royce & Bentley. The car drives perfectly and has the automatic release of the foot brake once you take off which is a handy feature. In the boot is a full hail proof cover for the entire car if you are out and the weather looks gloomy. This is the updated series from the 1980's Mulsanne which should be worth a lot more in the future due to a firmer suspension, circular headlights, updated leather steering wheel and a number of switches on the dash are newer. With a more modern sound system, a battery isolater in the boot this 24 year old car is very easy to drive and hopefully enjoy. NSW rego until the end of 2018!
