

BMW 135i E88

Description

This 2009 BMW 135i M-Sport Cabriolet is lovely with 124,000klms. It has the twin-turbo 6-cylinder engine and has just had around $2,000.00 spent on a service, new tyres, and really anything it needed before it was sold; which is a great sign of the previous owner. It even has an after market navigation and reversing camera which is nice touch especially with a decent bluetooth system too. The paint, leather and overall condition of this vehicle are immaculate and this car should hold it’s value extremely well. The colour combination is stunning in metallic black with cream leather interior and is one of the best priced 135i’s on the net. This is such good value for money now as it was only a year ago we were selling these for over $30K. We’re pretty proud of this car which is so much fun in this fabulous weather we’re having all year round. NSW rego until June 2018.
